## HATCHER STUBBS

As one of Georgia's oldest law firms, Hatcher, Stubbs, Land, Hollis & Rothschild, LLP has a long legacy of leadership, professional excellence and community service. Today we continue to offer comprehensive, client-focused legal services in 11 legal and industry practice groups including litigation and alternative dispute resolution, estate planning, business and tax planning, labor and employment, and real estate. We also provide plaintiff injury representation for individuals. Taking a team-oriented approach to addressing clients' needs allows us to draw on each of our lawyer's unique knowledge and expertise. This interdisciplinary approach ensures client access to the attorneys with the most appropriate background and experience.

A hallmark of Hatcher Stubbs for over 135 years has been our responsiveness to clients. A cornerstone in achieving this is our relationships in the community and the professional involvement of our members. Our lawyers continue this tradition today through leadership positions in the State Bar of Georgia, American Bar Association, and numerous charitable, civic and religious organizations.

Hatcher Stubbs continues to grow its existing practice and add new practice areas through the association of new and experienced attorneys and staff who share the Firm's trademark of providing effective, client-focused legal services. We welcome new opportunities and seek new associations into our family of clients where relationships are measured in decades, not in years.

Hatcher Stubbs has built a reputation for outstanding legal service through attention to detail and a deep commitment to our community over our 135-year history. This legacy continues to guide each member at Hatcher Stubbs today.
