## **PRACTICE AREA:**

### **HEALTH CARE LAW**

In the Health Care Group, business lawyers and litigators work together to address the diverse needs of our physician, hospital and other health care provider clients. We form and represent physician practices; prepare, review and litigate employment and noncompetition agreements; and guide clients through complex regulatory and compliance issues such as credentialing, health care compliance plans, medical record retention, HIPAA, the Stark laws, the anti-kickback statute and the Emergency Medical Treatment and Active Labor Act (EMTALA).
